

**Wisconsin Antique & Advertising Club Member Application**

Thank you for your interest in becoming a member of the WA&AC. Due to the private nature of some club activities a simple background check is done on new member applicants. The WA&AC background check is like a new employee background check. The goal is to protect member privacy and property. A member referral accompanied by a member's endorsement may bypass this process. This club "Will most likely disregard foolish things you may have done twenty years ago." The WA&AC reserves the right to exclude membership based on known antisocial behavior.

The information provided will be published in a securely encrypted web based directory for exclusive club member access.
